EACH CONTRIBUTION OF PARTICIPANTS ACCEPTED FOR MPLT14 2009 APPEAR ON THE WEB SITE.

1. General Talks will be made in plenary sessions a room with more than 200 seats (Room H). Each General Talk will be chaired by an experienced colleague. There will be computer-projection equipment and internet connection ready in each room. So, please prepare a computer slide show and bring your files with you before the session starts and hand in to the support staff (Filippo Pascolo, Giorgio Salemi, Mauro Sabadini) and/or session chair ready in your room. Each 35-40 minute oral presentation will be followed by a 15-5 minute discussion moderated by the session chair.

2. Workshops will be made in a computer equipped room with more than 35 seats. Are organized by the WS Leader with some preliminary presentations and are handled with the participants' hands-on involvement. Each workshop last 2 hours in parallel session with other workshops and Panel oral presentation. Participants will apply to WS

3. Panel Oral presentations will be made in a room with more than 35 seats, in parallel session. Each oral presentation session will be chaired by an experienced colleague who is knowledgeable about the session topics and the papers to be presented. There will be computer-projection equipments ready in each room. So, please prepare a computer slide show and bring your files with you before the session starts and hand in to the support staff and/or session chair ready in your room. Each 15 minute oral presentation will be followed by a 5 minute discussion moderated by the session chair.

4. Interactive poster presentations will be made in 2 Labs equipped with 30 computers and interfaces. Each presenter is suppose to show the contribution using a computer. So, please send the computer materials to Filippo Pascolo filippo.pascolo@uniud.it before **September 15** for the proper installation or, please, inform him that you will use your own computer; in any case, please, verify the proper installation before the session starts. The Session last 120 minutes and it is divided into two parts. During the 60 minutes of the session presenters are located in a fixed position and participants will move around for 120 minutes.

5. Poster presentation is a dynamic forum among presenters and the audience, intended to encourage discussion and sharing of multiple perspectives. The session for poster discussion last 2 hours, but the poster are available for the whole time of the MPLT14. So, please, prepare your poster in advance and hand in to poster Area during the registration time (25/09/09 – time 11.15-14.30). Rossana Viola will help you for that. The size of the poster boards is 70 cm (width) x 100 cm (height). Each poster should not exceed that size.
